MEMORANDUM FOR: Members, DCI Security Committee

FROM: []

Chairman

25X1

SUBJECT: SECOM Charter

1. The attached pages represent changes proposed in the draft SECOM charter as a result of negotiations with the Department of Justice.

2. The structure has been revised to remove unauthorized disclosures from the list of items on which the Committee will advise the DCI on "common security and access standards." The new wording assigns to SECOM the roles of formulating policy and recommending corrective measures.

3. Under these terms, the SECOM will work out the details of leak policy to be recommended to the DCI. Use of the phrase "security investigations" makes clear that departments and agencies will not usurp the criminal investigatory functions of the Department of Justice and the Federal Bureau of Investigation.

4. If there are questions, please call me or [] A response prior to close of business Friday, 9 July 1982, would be greatly appreciated.
